ANNUAL OPERATING BUDGET IMPACT (\$000)

DESCRIPTION

MCPS currently has 719 relocatable classrooms. Units around 15-20 years old require general renovation if they are to continue in use as educational spaces. Units moved more frequently may require rehabilitation sconer. Rehabilitation of state-owned units is accomplished as state funds are allocated when those units are moved. On February 23, 2004, the Board of Education approved an FY 2004 special appropriation request to accelerate the appropriation for the FY 2005 expenditures of \$5 million. The County Council, on March 30, 2004, approved the \$5.0 million special appropriation requested by the Board of Education to allow MCPS to enter into contracts in order to have the relocatable units ready for the 2004-2005 school year. The special appropriation provided for the the relocation of 77 relocatable classrooms and the leasing of an additional 54 relocatable classrooms for enrollment growth and the full-day kindergarten program.

On February 8, 2005, the Board of Education approved an FY 2005 Special Appropriation request to accelerate the appropriation for the FY 2006 expenditures of \$5 million. The County Council, on March 22, 2005, approved the \$5.0 million special appropriation requested by the Board of Education to allow MCPS to enter into contracts in order to have the relocatable units ready for the 2005-2006 school year. An FY 2006 special appropriation of \$1.5 million was approved to provide additional relocatable classrooms to accommodate a staff to student ratio of 23:1 at elementary schools. An FY 2007 appropriation was approved to move approximately 50 relocatables during the summer of 2006. The County Council, on April 4, 2006, approved a \$3.0 million special appropriation requested by the Board of Education to allow MCPS to enter into contracts in order to have the relocatable units ready for the 2006-2007 school year. Also, an FY 2006 special appropriation in the amount of \$975,000 was approved to provide relocatable classrooms for the acceleration of full-day kindergarten for the schools scheduled to receive the program in the 2007-2008 school year; therefore, as of the 2006-2007 school year, all elementary schools will have full-day kindergarten. An FY 2006 special appropriation in the amount of \$2.1 million was approved to return 121 relocatables to the vendor.in order to begin the process of systematically removing aging_relocatables from our schools. The \$2.1 million also provided for the replacement of six older units, the relocation of six units and the addition of a canopy at a school. The County Council approved, in the FY 2007-2012 CIP, additional expenditures in FY 2008 to provide replacement relocatables for Potomac Elementary School and to provide relocatables for Bells Mill Elementary School when the school is moved to the Grosvenor holding facility during modernization.

FISCAL NOTE

State Reimbursement: reimbursement of the state share of eligible costs will continue to be pursued.
